The Board of Directors and staff of MCBA are pleased to present our 2018 Annual Report. This annual report covers MCBA’s Fiscal Year 2018, which spans May 1, 2017 through April 30, 2018. MCBA made every effort to acknowledge all those listed in this report accurately and provide proper recognition for artists and organizations. If we have made any errors or omissions, please notify MCBA Executive Director Elysa Voshell at 612.215.2525 or evoshell@mnbookarts.org.

Mission
The mission of Minnesota Center for Book Arts is to lead the advancement of the book as an evolving art form.

MCBA is committed to book art, artists, and appreciators. Our mission is achieved through quality programs that support a broad continuum of creators, learners, and admirers. We lead the field by promoting innovation, sustaining traditions, educating new enthusiasts, inspiring creative expression, and honoring artistic excellence. From the traditional crafts of papermaking, letterpress printing, and bookbinding to new methods of art-making and communication, MCBA supports the limitless creative development of book arts.

Vision
Books and other “contained narratives” have existed for centuries, created through various techniques and taking numerous forms. They chronicled history, celebrated achievements, and communicated collective and personal knowledge. Books as multi-faceted and interdisciplinary methods of communication remain relevant. MCBA’s mission supports an important lasting vision: a world where book art is created, cultivated, celebrated, and understood as a vital and lasting expression of culture.

Values
We believe that everyone has a right to engage with their own creativity. In a world that is increasingly digital and disconnected, MCBA provides access to the embodiment of craft, the power of sharing one’s story, and a supportive community of fellow makers. We deliver excellence in each of our programs, collaborations, projects, and associations. We share a passion for the artist’s book and its power to inform and inspire audiences past, present, and future. We honor and support the book artist. We are champions of the book arts — we are stewards of traditional equipment and provide access to that historic technology. We preserve the book arts craft; protect its future; and raise public awareness of the art form.
MCBA’s role as an international catalyst and leader in revealing the value and relevancy of book arts is taken very seriously. Artist and education programs are held to a high standard against both our mission and our position as role model to other like-minded institutions across the nation and around the world.

**Artist Programs**

**Book Art Biennial**
Book Art Biennial brings together leading scholars and practitioners to explore issues in the creation and appreciation of contemporary artists’ books through panel discussions and presentations.

**The MCBA Prize**
The MCBA Prize is the first honor to recognize excellence in book art from across the field and around the world, celebrating the incredible diversity of this vital artform.

**Artist Residencies**
MCBA’s Artist-in-Residence Program nurtures selected artists by providing dedicated space and funding to produce new work, as well as opportunities to share their expertise with the local community through teaching, public programs and exhibitions.

**Fellowships and Mentorships**
The Jerome Foundation helps artists push the boundaries of contemporary book arts by supporting the creation of new work through two vital programs. The MCBA/Jerome Book Arts Fellowship provides project grants and technical guidance for selected emerging book artists. The Book Arts Mentorship program introduces the book arts to emerging artists with backgrounds in other visual, literary or performing arts disciplines. Both programs culminate in a major gallery exhibition.

**Artist Cooperative**
MCBA’s artist cooperative provides a community for book artists to access equipment, share technical expertise, promote and consign their work, and collaborate on book arts projects.

**Exhibitions**
MCBA’s world-class exhibitions program is designed to involve, inform and inspire visitors by showcasing the book in all its contexts — aesthetic, historic, cultural and commercial.

**Education Programs**

**Youth Workshops and Classroom Residencies**
During hands-on workshops in MCBA’s studios or in their school, students learn how to make paper, print, and/or bind a book. MCBA instructors also collaborate with teachers and staff at all grade levels and age groups to plan book arts residencies that allow teachers to integrate the book arts into their curriculum goals.

**Adult Workshops**
Workshops are offered from introductory to master levels with local instructors as well as visiting artists from around the world. MCBA’s Book Arts Certificate Program recognizes dedicated adult students who complete significant coursework in the book arts and demonstrate proficiency across book arts disciplines.

**Preschool and Family Workshops**
MCBA’s workshops for preschoolers provide authentic studio art experiences for children 3 to 5 years old, focusing on pre-literacy skills. Adults are active participants in the classes, learning and working alongside preschoolers on a variety of hands-on activities.

**Teacher Workshops**
MCBA’s teacher workshops offer instruction in basic techniques and integration of book arts into classroom curriculum. MCBA also regularly presents at teacher conferences and school in-service days.

**Community Programs**
Community education programming extends MCBA’s reach throughout Minnesota and beyond by partnering with library systems, community festivals, service organizations, and other arts and cultural centers.
