- 4 sheets of paper 12"x 12" (ex: origami paper, lightweight scrapbooking paper, Washi, Chiyogami, wrapping paper)
- 2 sheets of paper 6"x6"
- 2 sheets of paper 8" x 8"
- bone folder (optional)

Note: To get the best results all papers should be solid colored or patterned on one side and solid color or white on the other. Consider having more extra sheets to fold more after the workshop!
