

Family Workshop: Let's Make T-Shirts!

Supplies needed to participate in the online workshop led by
Michelle Lee Lagerroos and Kirsten Olson
mlagerroos@mnbookarts.org
kolson@mnbookarts.org

Required supplies you will need to buy:

IMPORTANT NOTE for local people: Please contact mlagerroos@mnbookarts.org to buy a kit that contains all of these supplies for \$15. Kit contains contact paper, foam brushes, cardstock, and a few (or more!) colors of ink. Unfortunately, we cannot ship them because of the ink.

- Adhesive contact paper ([from Target](#))
- Foam brushes ([this is a great pack with lots of different options that are good for stencils](#))
- Fabric screenprinting ink:
<https://www.dickblick.com/products/speedball-fabric-screen-printing-inks/>
 - If you only buy one color, we recommend gold or silver!! If you're buying a few, Blue Denim is a great color, as are gold and silver and other metallics.
- Cotton T-shirts for your kids (we like these shirts at [Target](#))

Required tools you may already have:

- A few pieces of scrap cardstock and scrap paper
- Spatulas or plastic spoons
- Scissors
- Xacto knife
- Cutting mat
- Scratch paper
- Shipping tape
- Scotch or Painters Tape
- Flat Cardboard or Foamcore
