Artist Collective Membership Agreement

Minnesota Center for Book Arts (MCBA) is a nonprofit visual arts center that ignites artistic practice, inspires learning, and fosters diverse creative communities through the book arts. We create access to specialized book arts tools, equipment, and knowledge; support interdisciplinary artistic development; expand opportunities for people who have been historically underrepresented in the field; and present exhibitions and educational programs that create connections around the art of the book, promote innovation, and advance the future of the book arts field.

MCBA provides critical studio access through its Artist Collective, composed of dedicated artists working in papermaking, paper marbling, letterpress printing, screen printing, bookbinding, and related arts. Artists must have sufficient training to work independently and safely in the studio areas they wish to utilize. Through this program, members have access to clean and well-maintained artist studios, rare and specialized equipment, exhibition opportunities, and participation in an eclectic community of fellow artists.

STUDIO MAINTENANCE: Artist Collective members are responsible for maintaining a clean workspace. This includes being respectful to equipment, materials, tools, studios, kitchen, library, and gallery spaces. Artists must use proper trash receptacles for waste and recycled materials. Artist Collective members are responsible for providing their own supplies and materials. Materials provided for communal use include tape, solvents, and rags. Rubber based black ink, newsprint, and PVA may also be used in small amounts. Artists creating an edition of work are expected to provide all their own materials.

Upper Lever Classroom/Print Studio/Specialty Use Studios: Press must be completely cleaned after each use (ink cleaned from type or printing surface, feed board, press bed, all rollers, cylinder). Mineral spirits, gloves, and rags are provided for cleaning. Solvents must be stored in the yellow safety cabinet in the Print Studio or the gray fireproof cabinet underneath the table in the Upper Level Classroom. Please wear gloves when handling solvents and put rags into appropriate containers for cleaning. Clean and put away all ink cans, mixing surfaces, and putty knives after using. Only use compatible inks on the presses.

Type Library: Type must be redistributed after project completion to ensure equitable access to MCBA's type collection. Members working on larger book projects must clear use of more than five galleys with the Studio Technician. If you are not physically in the studio printing on the press, except for short breaks, you must remove your type from the press bed.

Papermaking/Decorative Paper (Upper Wet Studio/Lower Wet Studio): Paper beaters, felts, tubs, buckets, sinks, and floors must be completely clean after each use. We recommend a quick cleaning before using the paper beater as well.

Screen Printing (Upper Wet Studio/Lower Wet Studio/Dark Room): All screens, sinks, tools, and surfaces must be cleaned properly after each use. Table tops, squeegees, tools and inks must be stored properly after each use. Turn off water source, wash-out light bay and power washer after each use. Return the darkroom key to the storage cabinet.

Bindery, Paper Prep & Cutting Equipment: Put all tools and materials away in proper storage areas. Wash out brushes and sink if used and dispose of any garbage/recycling.
