

## **Erasure Poetry**

Materials needed to participate in the online workshop led by  
Grace (ge) gilbert  
[geg97us@gmail.com](mailto:geg97us@gmail.com)

**Participants should gather a few types of materials prior to class.**

- Source materials: books, printed documents, scans of books, etc. that the student does not mind messing around with. Have a variety of options on hand.
- Erasure tools: pens, sharpies, scissors, colored pencils, paints, colored paper, whatever you have lying around.
- Extra materials: images, personal or readymade, ribbon, thread, any other materials you would like to use.

Participants are encouraged to source their materials from what they already have, and things they can gather for free (e.g. from a little library). What you already have will serve as an interesting constraint for your work.
